Price list for product calibration services  
(products not included in the LUMEL SA offer)  
Valid from 01/10/2021  
LUMEL SA Research Laboratory

Products from other manufacturers	Calibration price [EUR]	Comments
Resistance decades	-	The scope and price of calibration are set individually (please contact us by e-mail)
Calibrators	-	The scope and price of calibration are set individually (please contact us by e-mail)
Multimeters	-	The scope and price of calibration are set individually (please contact us by e-mail)
Clamp meters	-	The scope and price of calibration are set individually (please contact us by e-mail)
Temperature sensors	48	Price for measuring point (max. up to 600C) ***
Thermohygrometers	71	The price includes: 1x temperature 23 ° C, 1x selected humidity point for the range of 20% to 90% RH (for 23 ° C) **
Thermohygrometers	35	additional temperature or humidity point
Analog meters	48	For multi-range meters price for one measuring range *
Insulation resistance meters	-	The scope and price of calibration are set individually (please contact us by e-mail)

\* Please provide the number / number of the measuring channel and which ranges are to be calibrated

\*\* Please provide the humidity calibration point - in the absence of such information, calibration is carried out for 50% RH

\*\*\* Please indicate the points at which calibration should be performed
